

Terms of Service, Disclaimer & Fair Use Policy

Effective Date: June 15, 2026

Welcome to the PIXIgo Mobile Application and Website. By accessing, downloading, or using our platform, you agree to be legally bound by these Terms of Service and Disclaimer. If you do not agree, please do not use the application.

PART A: TERMS OF SERVICE & FAIR USE POLICY

1. Nature of the PIXIgo Platform

PIXIgo is an instant local delivery marketplace platform. PIXIgo does not sell any grocery, food, medicine, or dairy items directly. We connect you with local Merchants and Independent Delivery Partners (Riders) in your vicinity. The respective Merchant from whom you order is solely responsible for the real-time quality, taste, legal compliance, and exact availability of the products.

2. Order Verification & Pre-OTP Self-Check

CUSTOMER RIGHTS: VERIFICATION BEFORE DELIVERY COMPLETION

Customers have the full right to inspect their parcel and verify the item count before sharing the Secure OTP with the Delivery Rider. Once the OTP is shared, the order will be considered "Successfully Delivered," and no claims regarding short-delivery, missing items, or incorrect quantities will be accepted.

3. Cancellation, Return, and Refund Policy

PIXIgo is an instant delivery service; therefore, cancellation and refund policies are strictly enforced:

- 1. No Automatic Cancellation:** Once an order has been placed and approved by the Merchant, the Customer cannot cancel it directly through the app.
- 2. Special Exception Rule:** Orders can only be cancelled under exceptional circumstances (such as excessive delay or incorrect store assignment) after discussing the issue with the PIXIgo Customer Support Team via live chat or phone call.
- 3. Merchant Quality Issues:** If you believe a product is damaged, defective, or incorrect, you must report the complaint to PIXIgo Customer Support along with photo or video evidence. PIXIgo will forward

the complaint to the Merchant. PIXIgo will only initiate a refund after receiving merchant approval or verification of the error.

4. Refund Processing Time: Once a refund is approved, the amount will be credited to your original payment method or bank account within 5-7 business days.

4. Digital Evidence & Transparency

For the safety of your orders, our backend system records packaging photos and details provided by the Merchant, order pickup proof from the Delivery Rider, and continuous real-time GPS tracking data. In case of any dispute, the records from our system shall be considered final.

5. Payment Terms and Account Security

1. Payment Options: You can choose to pay online (via UPI, Cards, Netbanking) or choose Cash on Delivery (COD). For COD orders, full payment is mandatory immediately upon delivery.

2. Account Credentials: You must keep your PIXIgo account login OTP and credentials strictly confidential. You are solely responsible for any orders and activities performed using your account.
